The Construction Of The Tabernacle in the Desert

Topic: "The Meaning of the Mishkan"

A look at the weekly Torah reading. We will reflect on its significance for the ancient Israelites, and then shift our gaze to ourselves and ask questions concerning the role of the synagogue in our lives. For example, can there be a mishkan of the mind?

- The Israelites had a home exclusively dedicated to the worship of God, whereas we share a building with other faith groups.

What does this imply about the role of religion in our lives today?

- Beth Israel has an established building that they take pride in and seems a central part of their identity. We have a rented home and regularly congregate in each other's homes.

What does this say about our two different communities?

Jewish Community Meeting

Sunday, February 7th, 2016

On Sunday, the leaders of Kingston's Jewish Community met to discuss our future plans and how we can build a strong viable community that will last another 100 years.

Both Beth Israel & Iyr Ha-Melech Boards approved plans with two joint events. IHM is looking forward.

- On Friday March 04th, a Shabbat Service & dinner will be held for both Hebrew School families and other Jewish families with children eligible to attend Hebrew school.
- On Saturday May 14th, a joint Shabbat service will be held and followed by a Kiddush generously sponsored by Mark Malakoff.

Also:

- The KJC and IHM Website admins will examine adopting a community calendar that includes all Jewish community events.
- The Tu Beshevat Seder organised by Leanne and Melissa on Sunday January 24th, with both Hebrew Schools was a great success. We thank them for doing such a great job.
