Holocaust Torah Remembrance

A very special morning ceremony will be held to honour and commemorate our Holocaust Torah. Our KUF landlords and friends are invited to join us to share a lovely potluck lunch. Our member, Cindi Harvey, visited the synagogue in Czechoslovakia, where the Torah survived. There will be a slideshow of the synagogue and cemetery after services.

Happy 90th Birthday Ruth Dukas

...and Many Happy Returns

On Monday, January 15th, the members of IHM's Women's Study Group honored our cherished member Ruth Dukas, for the occasion of her 90th birthday, with a cake and floral centre-piece. I would like to join them by extending warm birthday wishes from the entire congregation. With Ruth's gracious presence in all of IHM's activities, leadership in the shoebox campaign, and marvellous artistic talents, we are all honored to know her and grateful that she has chosen to bless our congregation.

Tu BiShevat (בשבט ט"ו) Family Day

THIS SUNDAY – Open to All Ages

Location: Queen's Biosciences Bldg

Address: 116 Barrie St, Kingston

Date: Sunday, January 21st, 2018

Time: 10:00 a.m. to 12:00 p.m.

Congregation Beth Israel is very excited to be doing the Tu Bi'Shevat program this year at the Queen's Biosciences building. The date was moved from the actual holiday (15th of Shevat / sunset January 30th to nightfall January 31st), to accommodate both of our Hebrew schools and coordinate with Queen's. Confirmation came last week.

Other Programming

Celebration and "Achdut" (Kinship)

Jewish and Bedouin children in the region will gather on Tu BiShevat to plant trees. Let's have our Canadian children join them symbolically by "selling" trees to friends and family!

A donation of \$18 will plant a tree, receive a participation certificate, and be eligible for a tax receipt.

*Each child who sells 10 trees or more will receive a free movie pass!
The class that sells the most trees will be entitled to an ice cream sundae party, courtesy of JNF.*

Contact JNF (**Toll Free:** 1-866-257-5516) at their Regional Office (so Kingston and the area gets the credit) and plant your roots in Israel
