## Passover Food At Kingston Loblaw's

We had an excellent selection this year. Once again, I want to express gratitude to Loblaw's manager, Amanda Dick, Beth Israel's Rabbi Erin Polansky and Marylin Kogon for this step toward progress.

Amanda assures us that the store will continue to stock their shelves in the future and that there will be a good supply of the items we are accustomed to buying.

I'm interested in your experiences should you have gone to Loblaw's for your Passover supplies.
