## Passover 2020

Community Seder Created and Coordinated by Miriam Kearney

Wednesday, April 08, 2020

Mingling at 5:00pm

Seating at 5:30pm

Location: Kingston Senior Center

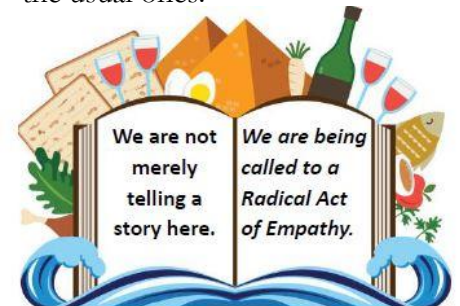

Address: 56 Francis Street

Our Seder this year will be conducted by one of our members, Miriam Kearney, who has been leading community Seders for over 30 years.

We met on Saturday to discuss the details and it looks like it's going to be a unique yet traditional experience.

We want to create an atmosphere of family at each table and to that end we encourage singles, couples and all members to assemble. For those that can, please include your family members. We'll make each table a family table. Think of it as a family Seder without the work!

In addition to IHM members, we will be inviting members of the Kingston Interfaith Council and Beth Israel. Hopefully we will see some new faces along with all of the usual ones.
