Rabbi Tepper spent 15 years as an educator, teaching drama and English and directing community theater in Toronto, Ontario.

Rabbi Tepper developed hearing loss as an adult, and is now almost totally deaf. Despite this disability, he has fulfilled responsibilities as a spiritual leader, including leading study and services, and teaching Torah.

Rabbi Tepper has already lead a weekend for us and we have already learned from his supportive style that education and religious worship can be inclusive and accessible to all who seek it. We are very fortunate and excited to have Rabbi Tepper join and lead us.

#### Welcome Sue Potechin

Some of our future Rabbi Weekends will be led by our new Educator, Sue Potechin. Our search for new leadership has brought us down a path of exploration of our congregation's future. This search enabled us to meet Sue and experience her leadership of a study session and Day service. We look forward to Sue's leadership on Nov 13-14.
